NEW! FRUITING TREES

Fruit trees often need to be planted in multiples
for cross pollination.

Ask us for more information!

APPLE 'FREEDOM' - SMALL TREE*
Crisp, juicy, slightly tart fruit

APPLE 'GOLDRUSH' - SMALL TREE*
Sweet-tart golden fruit

PERSIMMON - LARGE TREE*
Slow-growing tree that will get taller in moist
areas. Sweet orange fruit.

Tree orders due by February 7th!

An excellent value at only:
\$40 for a FRONT-YARD Tree
and

\$80 for a BACKYARD Tree

Plus, we help you plant your tree on
Saturday, April 23rd. We provide stakes,
mulch, and a tree watering bag to give
your tree the best chance for success!

TO ORDER TREES

EMAIL

rutledge.shadetree@gmail.com

Please include your name, address, tree
variety, quantity, and front- or backyard
planting location.
